

Strategic Energy Group Inc. – Management

Bruce Koss Licensed Land Agent #3726 General Manager of Business & Operations

25 years experience in the oil & gas industry. Numerous experiences with Surface Rights Groups, ERCB, AB Environment, Water Resources, Sustainable Resources Division, Media, Open House public meetings, Lawyers representing landowner's negotiations, addendums, First Nations & Métis Settlements.

Areas that we have worked in are all over Alberta, Saskatchewan & Manitoba.

We have managed & supplied all administration & land agents for pipeline projects as large as 260 km in length in Alberta & up to 110 km in Saskatchewan. Concerning drilling programs we have been involved with numerous 100 to 350 well programs in all aspects of Surface Land.

In this industry it is demand driven which determines our employee numbers & we have grown aggressively in the last 3 years since we introduced our other 3-Divisions.
