

## **Our Company**

At **Strategic Energy Group Inc.** we have had the opportunity to be involved in the Oil and Gas Business for 25 years. We have experience in managing and coordinating all types of projects throughout British Columbia, Alberta, Saskatchewan and Manitoba.

Our company is based on providing the right people for each job we do, so that every job is completed on time and on budget. We consider small projects to be as important as any other, and always look forward to sharing our knowledge and expertise with new and existing clients.

Our Head Office is based in Red Deer, Alberta, giving us the ability to quickly respond to your needs anywhere in Western Canada.

**Strategic Energy Group Inc.** can assist your company in streamlining your corporate projections and reducing overall project cost and turnaround time by offering a complete service package from any of our four divisions.

**Strategic Energy Group Inc.** specializes in:

- Petroleum Surface Land Division
- Petroleum Surveying Division
- Buried Line Locating Division
- Municipal Survey Division

The management and staff at **Strategic Energy Group Inc.** are uniquely qualified to assist in all phases of services and are dedicated to providing expert and comprehensive services to our clients.
